

**Grant County Health Department
H1N1 Flu Vaccine Information
(Updated for the week of 12/07/09)**

**H1N1 Flu Mist and Injectable Vaccine is
available at this time for any one in the
current target group listed below.**

Current Target Group for H1N1:

- Pregnant women
- Persons who live with or provide care for children aged less than 6 months (e.g. parents, siblings and daycare providers)
- Healthcare and emergency medical services personnel
- Persons aged 6 months through 24 years
- Persons aged 25 through 64 years who have medical conditions that put them at higher risk of influenza-related complications.

See county website
(www.co.grant.wi.gov)
to see
Vaccine Information Sheet (VIS)
or call 723-6416
for further information.
